

191 Highway 27 Rocket

191 Highway 27 Rocket

191 To Kipling Station
191 To Steeles via Humber College

191A Highway 27 Rocket

191 To Kipling Station
191A To Humber College

Service increase

Effective Monday, February 13, 2006

A new earlier first southbound trip will be added from Monday to Friday, to provide a connection with the first subway train at Kipling Station. The new trip will depart southbound from Steeles Avenue at 5:05 a.m. and will arrive at Kipling Station at 5:44 a.m.

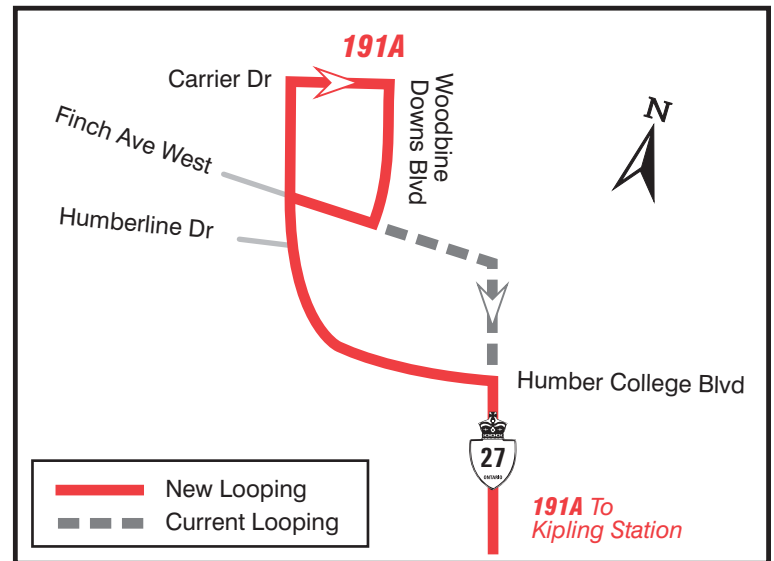

Route change

A minor change has been made to the routing of the 191A (Kipling Station-Humber College) branch that operates at the end of the morning peak period, to better serve Humber College Boulevard. Buses now turn around via Humber College Boulevard, Carrier Drive, Woodbine Downs Boulevard, and Finch Avenue, instead of via Finch Avenue and Highway 27. There have been no changes to trip times from Kipling Station.

Routing details

191A northbound: From Kipling Station, west on St Albans Rd, north on Auckland Rd, west on Dundas St, north on Highway 427, north on Highway 27, west and north on Humber College Boulevard, east on Carrier Drive, south on Woodbine Downs Boulevard.

191A southbound: From Woodbine Downs Boulevard and Finch Avenue, west on Finch Avenue, south and east on Humber College Boulevard, south on Highway 27, south on Highway 427, east on Dundas Street, south on Auckland Drive to Kipling Station.

Schedules are posted at all transfer points along this route.

Accessible Buses: Accessible bus service is provided on this route. You will recognize an accessible bus stop by the accessible symbol on the bus stop. **Not all stops along an accessible route are accessible.**
